## ENGLISH MEDIUM SCHOOL

Where Knowledge is Power !

PRIMARY AND  
SECONDARY SCHOOL

# Wel-Come Letter

Dear Parents,

Welcome to Oasis English Medium School. We are so delighted that your precious little one will be a part of OEMS family. We are so honoured by your trust as well as the opportunity to partner with you on your child's educational and faith journey.

We appreciate your selecting our school for your child's early childhood experience. We strive for an atmosphere of love and understanding to nurture your child's intellectual, social & emotional growth. Teachers are concerned with each child's individual need and every child will be challenged to learn to play basic early childhood experiences.

In order for your child to be enthusiastic, they must know that their parents are enthusiastic about their school. Therefore we strongly encourage your full support to our program.

We feel it is a privilege to be entrusted with your child's early education. We look forward to working co-operatively with you for the further improvement of the child. We feel as though open lines of communication between the parents, students & teachers are the key to promoting a educational climate that is conducive to learning. Together we can make a difference.

Please feel free to contact our school authorities if there are any questions or concerns.

# Wel-Come Letter

Dear Students,

We the team of OEMS welcome you to start the great new school year at OEMS. We are very excited to share many learning activities, we have planned for you. We will have lots of fun, develop a love for reading, become excellent writers, learn new & interesting things & make new friends.

The right before school is exciting & fun with so many things that just have to be done. Your clothes are ready your bags are packed too and your classroom is waiting with fun things to do. There are so many questions that go through your mind. All types of thoughts same of every kind. But don't worry at all we the team of OEMS is here to answer all your questions and queries.

## Academic & Curriculum

School offers the highest quality academic & extracurricular programs along with the opportunities, encouragement, Support to develop the child's potential within. The school's academic year is from April to March. Throughout the academic year 2 vacation breaks are offered along with some specific government holidays. The school hours are prescribed by the school according to the sections. The school provide scheme of studies curricular academic guidelines, textual material, support material enrichment activities & the capacity building programs.

We provide a dynamic curriculum which motivates the students towards the continuous growth and development. Through different academic activities we provide the stress free child centered & holistic education to all children without compromising on quality. We take care of different factors which effects and deal with the growth of child i.e. staff, syllabus, internal and external examinations and competitions evaluation, Co-curricular and extra curricular activities, sports, celebration & their mental and physical health. The curriculum of school has been so framed that the individual child is the core of the whole program maintained. As these are three important pillars of the school.

The yearly & monthly planners are issued to students & parents, in which all activities are mentioned for the convenience of parents. Our school arranges educational excursions & picnics for the students. The school celebrates the annual function in the II term in which each and every student is given chance to participate in cultural event. And on the same day the achievers of different competitions, examinations are awarded for their achievement.

The goal of school is to achieve academic excellence by conceptualising policies & their operational planning to ensure balanced academic activities in the schools.
